

environmental management policy.

The following environmental policy statement has been prepared and agreed by Owl Live Ltd management and staff.

Owl Live Ltd, as a live communications agency, recognises that our operations impact on the environment at global, national and local level.

As such we are committed to:

- Safeguarding the environment, and striving to prevent pollution and provide sustainable solutions wherever possible
- Minimising the negative impacts of our activities on the environment in the delivery of our services and our choice or use of resources
- Reviewing our practices, procedures and services continually, to improve our performance within the guidelines of our professional organisation
- Advising our clients and others on the reduction of environmental impact, and engaging our suppliers, associates, and clients in environmental initiatives and best practice
- Maintaining up-to-date knowledge of and complying with relevant environmental legislation and regulations
- Seeking continual efficiency improvements in all our activities
- Communicating this policy to our employees, associates, suppliers, clients, and other parties in our literature and proposal documents
- Training and updating our staff on this policy and related environmental issues
- Reviewing this policy and our delivery of it continually against our corporate objectives and developments in environmental issues
